

All veterinary related services are now available online:

In view of the increased demand for various veterinary services, and to safeguard the authenticity of the information in the documentation, all veterinary services are executed through our online platform. This includes issuance of passports, Transfer of Ownership, Change of Horse Name, Revalidation of Passports (FEI), change of trainer/stables etc.

How to access our services:

To use our online veterinary services, kindly go to: <https://portal.uaerf.ae>, log in, and go to Vet Services. If you are not a registered owner, then create an account as a horse owner or his authorized representative prior to using the services. Under Veterinary Services, you will find the list of Vet Services we provide. Select the service of your requirements, follow the instructions, make the payment, if required and submit.
