To Owners/Stables/Trainers/ Athletes/Grooms/OCs and other related Stakeholders,

Sub : Horse Health Requirements at FEI endurance events

Greetings from the UAE Equestrian and Racing Federation. further to UAEERF circular Ref. Number 710/2021 dated 20/12/2021 (attached) concerning the Horse Health requirements effective 1st January 2022:

Kindly note that horses competing in FEI endurance events, both overseas and UAE events, must fulfill the Horse Health Requirements via the [FEI HorseApp](#) which can be downloaded from the App store or Google Play.

To use the FEI HorseApp, the Owners/Trainers/Athletes/Grooms and related stakeholders **should have an active FEI ID account** and must fulfil the Horse Health Requirements for **each Horse** that will be present at an FEI Event, as listed below

1. Take two daily temperature readings for every horse twice a day for the three days leading up to the day of arrival at an FEI Event.
2. Taking and entering of two daily temperature readings for each horse whilst at an FEI event.

The information and guidelines related to using the Horse App is available when you **click the** https://inside.fei.org/hub/it-services/mobile-apps/%20fei_horseapp

Thanking you,

Dr. Ghanem Mohammed Al-Hajri

Secretary-General
