

## REQUIREMENTS FOR RESIDENT FOREIGN ATHLETES TO BE HOSTED BY UAE

The following procedure must be followed to register the UAE NF as the foreign resident athletes host NF:

- a) Send a request to the UAE NF requesting to be the foreign resident athletes host NF
- b) The athlete should be a resident of UAE for a period of more than six months in a year.**
- c) Attach a copy of the athletes Emirates ID & VISA page showing proof that the athlete resides in the UAE for more than six months per year.
- d) Attach a copy of the written permission/non objection certificate from the athletes NF.

Once the above steps have been completed, the UAE NF will forward the request to FEI for approval. The FEI will then review the request and if it is acceptable, will approve it and write to the athletes NF to inform them.

The FEI database will then be updated to reflect the change. Kindly ensure that the UAE NF is listed as the athletes' host NF on the FEI database before entering national events of 120 km and above.
