---

Dear Patrons,

### **Greetings from the UAE Equestrian and Racing Federation.**

It is with great pleasure that we welcome all our patrons to the new 2022 – 2023 equestrian season.

At the outset kindly be informed that The FEI has announced its Revised Financial Charges following the decision taken at the FEI Hybrid General Assembly 2021.

Accordingly, an amendment has been made in the charges for the FEI annual registration of horses and ponies, competing at CI level in all FEI disciplines. The revised FEI charges for the FEI registration of horses will be AED150 plus 5% tax (in place of AED 100 plus 5% tax) which will be implemented from this season, 2022 – 2023 FEI registrations onwards.

This is for your kind information.

**Best regards,**

**Dr. Ghanem Al Hajiri**  
Secretary General
