

Date: 2<sup>nd</sup> September 2024  
Ref: 715/2024

**To: All Owners, Stables, Trainers, Riders, and All Concerned**

**Sub: UAE Endurance Season 2024-2025**

The UAE Equestrian and Racing Federation extends its warmest greetings and is pleased to welcome you to the new endurance season for 2024-2025. Online registration through the Federation's website will open on 3rd September 2024. We would like to remind everyone of the following important points:

- 1. Renew/New Registrations:** Ensure that the registration for athletes, trainers, horses is renewed, and new registrations are applied through the UAEERF portal.
- 2. Document/ Photo Submission:** Attach all required documents into the registration system and verify their validity, particularly the No Objection Certificates (NOC) for foreign riders and trainers. Upload a clear copy of the latest photo in the system according to the specifications provided.
- 3. NOC for Foreign Nationals:** Foreign nationals must submit their NOC online, issued by their national federation. The certificate should be addressed to the UAE NF and must be individual for each athlete, specifying their name, FEI ID, qualified grade/level, duration of permission granted. An official email from the athletes' national federation must be submitted to the Federation at [endurance@uaeerf.ae](mailto:endurance@uaeerf.ae).
- 4. Horse Documentation:** Verify horse passports, ownership, and vaccination records to avoid any issues during competitions.

5. **Trainer Consistency:** Review the list of horses under each trainer in each stable. Ensure that the trainer listed in the UAEERF system matches the FEI system to avoid legal issues.
6. **Trainer Changes:** Notify the Federation through the UAEERF portal of any changes or updates to trainers. Note that if the registered trainer of a horse changes, the horse may not participate in any FEI competition for 14 days from the date of notification.
7. **Requests for Higher-Level Events:** Eligible foreign resident athletes wishing to participate in higher-level national events (CEN 120 km and above) must request to be hosted by the UAE Federation.
8. **FEI Event Requirements:** Horses competing at FEI events must meet horse health requirements via the FEI Horse App. This includes taking and recording two daily temperature readings for each horse twice a day for three days leading up to the event and while at the event.
9. **Outstanding payments:** All outstanding financial dues payable to the Federation by the athletes/trainers must be settled before the start of the season, 2024-2025.

We wish everyone a successful endurance season for 2024-2025.

**Dr. Ghanem Al Hajiri**  
Secretary General
